

Building plot in peaceful location with beautiful views just outside the village of Chipude.

Location description: The property is on the outskirts of the mountain village Chipude and enjoys beautiful views over the mountains down to the sea. It is notable for its quiet location and beautiful views, but close proximity to the village.

Object description: It has an extension of 124 m². To the front it borders on with a small side street. It is located on a slight slope and has already been prepared for a building.

The entire property is classified as building land.

We will gladly assist in the planning and execution of the project.
