

Rare opportunity! Building plot in La Calera, Valle Gran Rey.

Location: The plot is in La Calera, in the sought after Valle Gran Rey. It is easily accessible and slightly set back from the main road. The location is quite central and all the beaches in the valley are within walking distance. There are also sea views from part of the property. Cafés and shops are nearby.

Object: The property has a size of 189 m<sup>2</sup>. To the front it borders with a small side street. It is located on a slope. To the sides it is limited by the adjacent buildings. There are some old small buildings in ruinous condition. The property is completely buildable on two floors.

We will be glad to help with the planning and execution of the project.
