

Opportunity!! Building plot with ruin in La Calera in Valle Gran Rey.

Object description: The property has a size of 216 m². On it is the ruin of an old stone house of about 58 m². The property is buildable with two floors. Up and down it is limited by the passing road, on one side by a public road and on the other side by a building.

Location description: The property is located in La Calera, in the popular Valle Gran Rey. The location is quite central and all beaches of the valley are also within walking distance. From the upper floor of a possible development one would have also sea view. Nearby we find cafés and shopping facilities.

We are happy to help with the planning and execution of the project.
