

Opportunity for creative people, old Canarian farm to restore.

Description of the place:

The group of houses is located on the outskirts of the village of Alajero, in the south of the island. It is easily accessible from the street over a short path.

Description of the property:

It is an ancient Canarian farmstead, built in the traditional style with natural stone and clay. It consists of a main building, divided into two parts and several secondary buildings. They can be rebuilt. Electricity and water connections are available.

We will be glad to help you with the restoration works and the application for building permits.

Details / more info:

The centre of Alajeró, where you can find shops and gastronomic spots, is a 5-minute drive or 15-minute walk away. Playa de Santiago, with its quiet beaches, is just 15 minutes away by car.
